

Deli Sandwiches at Hogan's General Store!!!

Hogan's General Store makes Deli sandwiches just like the good old days! Created to order on bakery-fresh Hoagie Buns, stacked high with your favorite deli meats and cheeses, and adorned with fresh crunchy produce and simple sauces, just like mom used to make. **Your sandwich includes a bag of chips**, so today's lunch is already made! Our daily featured side salad can **replace** your chips if you prefer for an additional \$1.25.

All sandwiches include lettuce, tomato, thinly sliced onions, and pickles. Banana or Green peppers available on request. Whole Wheat Wrap can be substituted for a Hoagie Bun on any sandwich by request.
